WHY TO JOIN?

Changes in the Earth's magnetic field have been shown to affect human heart rhythms and have been associated with the following: changes in brain and nervous-system activity; athletic performance, memory and other tasks; synthesis of nutrients in plants and algae; the number of reported traffic violations and accidents; mortality from heart attacks and strokes; and incidence of depression and suicide. The Earth and ionosphere generate a symphony of frequencies ranging from 0.01 hertz to 300 hertz, and some of the large resonances occurring in the earth's field are in the same frequency range as those occurring in the human cardiovascular system, brain and autonomic nervous system. Although researchers have looked at some of the possible interactions between the earth's field and human, animal and plant activity, new data from GCI research is indicating that we may be more deeply interconnected with the Earth's field than previously imagined.

WHY NOW?

Our Planet Earth hearth beat (Schumann Resenonce), has already changed, already elevated, increasing ever higher. **On the 6th of December 2019 it reached i**ts highest measured value in the past two years, at **158 Hz**. (Schumann's frequency, which we humans, plants, animals, the mineral world, the water and soil were used to, was 7.83 Hz)

Your vibration of your hearth coherence on appropriate level, which is long term stable, is your key to Golden Age.

WHY IT'S CORRECT THAT I CHARGE YOU FOR THIS PROGRAM

of three from me guided meditation sessions for AWAKENING & STRENGTHENING OF YOUR VIBRATION OF HEART COHERENCE

Heart coherence is an energy / vibrational state, which is for most modern humans inaccessible, while it is for them drowsy or present for a brief moments only.

Few people recognize and admit that their heart coherence is not awakened, not strong, that its power is not a long-term stable. Perhaps they even don't know, that this also applies to them,

Who is not sure, if this applies to him/her, should just look own life!

REMEMBER: Your vibration of your hearth coherence on appropriate level, which is long term stable, is your key to Golden Age.

YOU SHOULD CLARIFY TO YOURSELF, THAT THE VIBRANCY OF THE HEART COHERENCE CAN NOT BE AWAKEN BY READING ARTICLES, SCIENTIFIC PAPERS ON THIS SUBJECT, WATCHING VIDEOS, RESEARCHING, PERFORMING EXERCISES, TECHNIQUES, COUNSELING SESSIONS, ETC. NOTHING OF THIS CAN INDEED NOT STIMULATE OR ENHANCE VIBRATION OF HEART COHERENCE. WHY? BECAUSE HEART COHERENCE IS CERTAIN VIBRATIONAL STATE, NOT MENTAL CONSTRUCT!

Heart coherence is certain vibrational state, certain vibrational level, certain vibrational quality and certain information, which among others enables the development of higher human abilities, the coherent vibration of all kinds of communities, Global coherence, the coherence of our planet Earth, the coherence of the Universe. In the longer lasting state of heart coherence vibration, among others flow to us and through us information from the higher spheres of consciousness, advanced solutions, innovations in the field of new, breakthrough advanced technologies.

In the state of permanent lasting state of heart coherence vibrations, among others human being automatically »has« compassion, clear communication, compasion to others, masters telepathy, conscious creation and manifestation, self-healing, self-rejuvenation. Such human beings can automatically maintain values such as respect, gratitude, peacefulness, appreciation, love, peace.

THAT IS WHY IS YOUR VIBRATION OF YOUR HEARTH COHERENCE ON APPROPRIATE LEVEL, WHICH IS LONG TERM STABLE, YOUR KEY TO GOLDEN AGE.

WHY IT'S CORRECT THAT I CHARGE YOU FOR THIS PROGRAM of three from me guided meditation sessions for AWAKENING & STRENGTHENING OF YOUR VIBRATION OF HEART COHERENCE

Because with my heart coherence vibration during group meditations in frame of my Program AWAKENING & STRENGTHENING OF YOUR VIBRATION OF HEART COHERENCE I'll stimulate to awaken and raise the vibrations of your heart coherence, by spreading this vibration into the energy grid of group of participants.

Because this is principle of forced oscillation, the heart coherence vibrations of all participants will be on this way stimulated to awaken, to strengthen, to their heart coherence vibrations lasting longer on stabil and appropriate levels.

Thus I will give some of my most sublime energy to you and to all participants of those group meditations.

This is invaluable and must be fair.

An energy exchange is required for balance. I decided this exchange will be money compensation, payment.

HOW YOU MAY KNOW, THAT YOUR HEART COHERENCE VIBRATIONS ARE REACHED APPROPRIATE LEVEL and long term lasting on such stabil level? WHWN YOU MAY USE YOUR COHERENCE VIBRATION PER YOUR COMMAND, YOU HAVE IT!

Let me explain this with my case!

With conscious influence I keep my heart coherence strength and the vibration of my heart coherence at a very high level, stable and long lasting.

I never give it away recklessly or unnecessarily. I always carefully protect it from losses. I always use my heart coherence strength and I am always in the stage the vibration of my heart coherence when I create and develop my highly innovative and breakthought advanced products and services. I never create them "with my head", I always use my heart coherence, my intuition, my access to higher dimensions of consciousness. It is only in the second phase, or even after testing of my innovative creations, that I also consider those mine innovations understand rational.

That I'am receiver of advance solutions from Cosmos, I need to vibrate my Hearth Coherence vibrations. This is the Key .

On such way, advanced technologies were also created ("winvented") by Nikola Tesla, Victor Schauberger and some other, which are humans considered for geniuses.

REMEMBER: IF I HAVE ACHIEVED IT, ALSO YOU CAN ACHIEVE IT! Don't delay, prefer acting. Click on this link and sign in.

I am looking forward to on vibration level share my indeed very powerful heart coherence vibrations also with you for boosting your vibrations of your vibration of your herth coherence.

In this **Program for AWAKENING & STRENGTHENING OF YOUR VIBRATION OF HEART COHERENCE,** the whole Worldwide Group of participants will on energy level boost their vibration of coherence, the Global Coherence and the Coherence of our Planet Earth and of Space.

AWAKENING & STRENGTHENING OF YOUR VIBRATION OF HEART COHERENCE IS YOUR KEY TO YOUR GOLDEN AGE.

FOR THOSE, WHO NEED / PREFERE RATIONAL FACTS, THEY ARE AWAILABLE BELOW:

The law of coherence helps us understand the physical force behind the increasing complexity of the evolutionary process, from quanta, to cells, to self-awareness and collective consciousness. The coherent electromagnetic field is the inner glue of every system, the "intelligent" energy-information communication that assures a cooperative and synergic behavior to all the components of the system, as a whole, allowing harmonious evolution and unity of consciousness. Neuropsychological experiments show that the different brain areas communicate with more or less coherence according to different states of consciousness: high values are correlated with states of psychophysical integrity and wellbeing, whereas low values with states of conflict and depression. If we expand isomorphically these brain discoveries, we will have four main general states of coherence: from disgregation to unity, which represents an important element, in the General System Theory, to differentiate between inanimate and animate system, and to understand how billions cells become a single living organism, and then how billions of human beings could eventually generate planetary consciousness. In this light the resolution of the global ecosystem crisis implicates human transformation from a low to a highly coherent state of consciousness. The key to the entire process seems to be the coherent nature of consciousness.
