Personally from a developer of those great, advanced products, you'll hear and watch about:

- Advanced, innovative, sustainable **products - NATURAL BIO-QUANTUM BIOSTIMULANTS without active substances, for effective plant's LIFE FORCES strengthening** (which directly causes the strengthening of the **plants' own vitality**, and indirectly - through the strengthening of the plants own vitality, **appropriate specific plant own resistances are also strengthened** - to specific diseases, to specific pests, to all forms of plants stress, to various weather and climate factors.).
- **Some issues about of history of those bio-quantum biostimulants development** (which was mostly took place in certain natural ecosystems, then in my lab - which has no quantum physics equipment), and the idea about this sort of products came to me *in my high school years - in the old castle park and in the library that stands there*),
- **About performances of those advanced, innovative, sustainable products - NATURAL BIO-QUANTUM BIOSTIMULANTS without active substances**, about their effectiveness, **ABOUT SOME EXPOSED GOOD PRACTICES IN THEIR USE ACHIEVED** by farmers, by fruit-growers, by gardeners **AND MONITORED BY AGRICULTURAL PROFESSIONALS.**
