# ANSWERS TO BASIC QUESTIONS: FOR WHOM, HOW LONG WILL IT TAKE, WHERE AND WHEN

## FOR WHOM

This SAE ENQP™ Academy is for everyone, who is interested in production/growing of energy alive food, who is interested in sustainable rural development, & health of Nature, Environment & of people..

- Academics,
- agricultural consultants,
- policy makers for agriculture and climate change mitigation,
- bigger distributors sale nets,
- development staff in companies from agricultural field (plants care, biostimulative growing technologies),
- to those, who want this acquired knowledge continue to share as certificated lecturers, trainees, consultants.

After finished Academy my company will grant Certificates and License for implementation of educational programs for those, who will be interested for such way of further business cooperation with us. **This rare important knowledge and experiences should be also on**

## HOW LONG WILL IT LAST

The Program content of this Academy lasts 36 days of training and is divided into six educational modules, which are carried out in three consecutive years.

Each training module lasts six days - from Monday to Saturday inclusive.

Two training modules are implemented per year.

The interval between training modules lasts some months.

## WHERE AND WHEN

**SAE-ENQP Academy™ will take place in hotel Salinera Strunjan, Slovenia/EU First modul wil l be implemented from 23rd of March 20120 to 28th March 2020**

FOR THE ORGANIZATION REASONS OF SEMINARS, TO ALL PARTICIPANTS WE PROPOSE ACCOMMODATION IN THE SAME HOTEL WHERE THE ACADEMY WILL BE PERFORMED. Please, book your room there on the time! The organizer reserves the right to change the date, if necessary.

# THIS OUR ACADEMY FOR ALL SIX COURSES WILL TAKE PLACE IN OUR COUNTRY, SLOVENIA AND WILL HAVE TASTE OF SLOVENIAN SEA

On this Academy to all of us waiting work, that requires personal approach, team work as well as individual work.

You will need me as your mentor and trainer. You will need each other for exchanging views about new knowledge and skills, for the exchange of ideas, which will be launched by educational content to you and for support, which may be given only by the energy powers of the group.

The natural and beautiful environment on the Slovenian coast will support our work during the Academy. Make sure of that **ON THOSE PHOTOS – link here!** On this location there is also Landscape Park with old, still operating salt pans, which will give us suitable and needed energy support for work.

SAE - ENQP Academy™ will take place in the hotel Salinera Strunjan.

FOR THE ORGANIZATION REASONS OF SEMINARS, TO ALL PARTICIPANTS WE OFFER ACCOMMODATION IN THE SAME HOTEL WHERE THE ACADEMY WILL BE PERFORMED. ABOUT DETAILS WE WILL NOTIFY ATTENDERS ON THE TIME.

# FIRST YEAR OF ACADEMY PROGRAM

## MODUL ONE

### **I. Introduction**

- Introductory greeting
- Introduction of the organizer of the Academy as well as lecturer
- Introduction of participants
- Presentation of Academy program
- Schedule
- Technical notes

### **II. Who is Gaia on the level on its Life forces**

- **Persuasive matter - illusion and facts**
- Wisdom of plants - how it shall sustainably serve humanity
- Plants and free energy (Part 1)

### **III. Practicum**

**IV. Cases** from our best practice of use of our innovative, energized, sustainable, homeodynamic, products **without active substances** for strengthening plant vitality and thus implicitly their own immunology, their own resistance to plant diseases, pests, stress. (Case1)

**V. With which sustainable goals and how to convert plants & minerals into their own alive energy?** (Part 1)

# FIRST YEAR OF ACADEMY PROGRAM

## MODUL TWO

### I. Energy intelligence of plants and ecosystems

Types and characteristics of plant vibrations and their significance

- Biophotonics
- Scalar fields of plants
- Electromagnetic waves
- The shape of the energy patterns in plants
- The energy life of plants and its connection to the Energy network of life (starting points)
- Alive bio energy from plants
- Bioelectric fields regarding to plants growth cases from science and from practice

### II. Practicum

### III. Energy life of plants, plants life forces, the energy role of minerals in plant life

- Plant's life forces
- The energy role of minerals in plant life
- Synchronous energy connections of plant energy fields into the energy network of life
- Non-synchronous energy connections of plant energy fields into the energy network of life
- Triggers of evolutionary processes
- Dynamic energy balance – as a condition of successful plants adaptations to evolutionary processes
- Geomagnetic Earth field and plants

IV. Cases from our best practice of use of our innovative, energized, sustainable, homeodynamic, products **without active substances** for strengthening plant vitality and thus implicitly their own immunology, their own resistance to plant diseases, pests, stress. (Case2)

V. How to convert plants & minerals into their own energy? (Part 2)

# SECOND YEAR OF ACADEMY PROGRAM

## MODUL THREE

### I. Energy balance of plants

- Dynamic energy balance in plants, own vitality of plants, own plant immunology, own plant resistance
- Dynamic energy balance in plants,
- Dynamic energy balance in plants related to own plant immunology
- Dynamic energy balance in plants with regard to their own vitality
- Dynamic energy balance in plants with regard to their own plant resistance
- Dynamic energy balance in plants and soil
- Dinamic energy balance in ecosystems

### II. Practicum

### III. Some concepts of plant intelligence

- Homeostase
- Homeodynamics
- Hormose and plant biology
- Xenohormesis
- Importance of hormesis and xenohormesis in evolution
- for plants and ecosystems

IV. Cases from our best practice of use of our innovative, energized, sustainable, homeodynamic, products **without active substances** for strengthening plant vitality and thus implicitly their own immunology, their own resistance to plant diseases, pests, stress. (Case3)

IV. How to convert plants & minerals into their own energy? (Part 3)

# SECOND YEAR OF ACADEMY PROGRAM

## MODUL FOUR

### I. Individual vortex of plant's and plants shapes

- Their differences between plants
- Energy differences within the same kind of variety of plants - from where they originate, what causes them
- Energy forms of patterns in alive plants
- Energy signature of specific plant

### II. Practicum

### III. Complex and individual vortex of ecosystems

- Individual vortex of ecosystems
- Typical vortices of ecosystems

IV. Cases from our best practice of use of our innovative, energized, sustainable, homeodynamic, products **without active substances** for strengthening plant vitality and thus implicitly their own immunology, their own resistance to plant diseases, pests, stress. (Case4)

V. How to convert plants and minerals into their own energy (Part 4)

# Third YEAR OF ACADEMY PROGRAM

## MODUL FIVE

### I. Plants and current Climate change

- Climate change and their consequences in the light of stressors for plants and natural ecosystems
- Energy level of plants and adaptation to Climate changes

### II. Agricultural plants and current climate change

- Climate change and their consequences in the light of stressors for agricultural plants and agro—eco-systems on the level of Life forces
- Energy level of agricultural plants and their adaptation to Climate changes

### II. Climate changes and plants photosynthesis regarding to ratio of isotopes C12/C13

- Isotope C12 / C13 and their changing ratio in relation to current Climate change
- Isotope C12 / C13 and their changing ratio in association with plant photosynthesis

### III. Practicum

IV. Cases from our best practice of use of our innovative, energized, sustainable homeodynamic, products **without active substances** for strengthening plant vitality and thus implicitly their own immunology, their own resistance to plant diseases, pests, stress. (Case5)

V.How to convert plants & minerals into their own energy ? (Part 5)

# THIRD YEAR OF ACADEMY PROGRAM

## MODUL SIX

I. How to recognize energy signature of plants? Using for their recognition labs or our (dormant, forgotten) tools or both of them?

- Natural plants frequencies – part of language of Nature, which enable Intelligence of Nature

- Natural energy influence on (agricultural) plants to strengthen their balance - their vitality and thus implicitly their own immunology, their own resistance to plant diseases, pests, stress.

- Plants and “free energy “(part 2)

II. Practicum

IV. Cases from our best practice of use of our innovative, energized, sustainable, homeodynamic, products **without active substances** for strengthening plant vitality and thus implicitly their own immunology, their own resistance to plant diseases, pests, stress. (Case6)

V. How to convert plants into their own energy ? (Part 6)

**VI. Conclusion**

**VII. Ceremony of awarding certificates**
